Welcome to NightOutVancouver.com!

Night Out Vancouver is a one-stop portal for visitors and locals to dining, hotel and drink specials and music happening every day in our city.

Our site is licensed, monitored and updated by locals who are passionate about Vancouver; we belong to an expanding international network of Night Out sites across North America and the world.

Membership in this network gives our site built-in SEO advantages on search engines in the category of local dining, music, drink and hotel keyword searches hyper-focused on Vancouver.

MyNightOut App

The most popular feature of our site is our 'Top Ideas' calendar. Featured on our home page and with a free MyNightOut mobile app, this calendar enables you to broadcast your daily or monthly specials or events to a wide audience seeking what do to on any night in this city.

The screenshot shows the website's layout with a navigation bar at the top containing links for Home, Dining, Bars, Entertainment, Bands, and Accommodations. A search bar is located on the right. The main content area is divided into several sections: a 'Using Specials' sidebar on the left, a central banner for 'Happy hours and food specials' featuring green peas, a 'Green' travel tip section with a frog image, a 'Tonight's Top Ideas' calendar for Thursday, Nov 3, and a 'Save Money!' promotion. The bottom of the page includes social media icons for Facebook, Twitter, and RSS, and an 'Advertise with Us!' section.

Our Values

As locals who love our city, we always aim to present all businesses in a positive yet honest light. We believe in integrity, dependability and positivity.

All profiles promote continuous quality improvement through sharing of comments by visitors about establishments listed on our site. Comments on our profiles are quarantined before posting. We reserve the right not to publish posts that we consider to be intentionally vicious, defamatory or predatory or are spam.

Be positive. Be helpful. Have fun!

Wherever possible we publish specials, unique events and promotions that are seasonal, uniquely local, charitable or ongoing, rather than flash discount offers.

Our Intended Audiences

Our target audience is working professionals and active socializers who enjoy exploring local restaurants, pubs/bars, live music, festivals, art and hotels in the city. These are both people living in greater Vancouver and visiting this city for business or leisure purposes.

Our musician/artist focus leans towards live music venues and events/festivals, not nightclubs. We feel that nightclubs are already well publicized by other websites and social networks. We do show clubs with live bands.

All advertising rates are subject to change. We retain the option to reject advertising, profiles and images that do not fit our categories, are of poor quality or could threaten the image of the site or other advertisers.

Sincerely,

The NightOutVancouver.com Team
